LID USE

Self-closing
Flap

user pushes the flap down, the flap
close up by itself (by springs)

- Extremely robust bin with front door system and large capacity which can be used by itself or forming recycling stations
- Self-extinguishing certified, for self-closing flaps versions
- Capacity of 95, 190 and 285 litres.
- Available in monoblocks of 1, 2 and 3 residues
- Allows the creation of large recycling stations by joining them side to side or back to back
- Easy emptying system with separated inner compartments for each residue
- Collection systems:
 - Sliding inner ring bag holder with elastic band which can be horizontally foldout by guides
 - Metal inner liner with elastic band to keep the bag in place.
- Available lids: self-closing flap and sorting slots.
- Lid with waste identification included.
- Door protected by a reinforced 3-point lock
- Can be fixed to the wall.
- Adjustable height plastic feet are included.
- Can be fixed to the ground with 4 M6 expanding bolts (not included).
- Made of 1, 1'5 and 3 mm cold rolled steel plates which have been hot dip galvanized.
- It includes a thermo-heating polyester powder coated finish with a zinc rich primer on the lid.
- Joint elements made of Stainless Steel.
- Easy emptying system: our bins must be safe, ergonomic and clean. This bin has been designed and produced with an ergonomic and efficient emptying system which guarantees the extraction of the bag without risk of ripping.
- Plastic bags: this bin is compatible with standard bags available in the market. However, Cervic Environment have developed "Slim-fit" bags (tailor-made for our bins) which improve the performance and the aesthetic of the bins.
- Accessories: rain hood, frontal adhesives, wheels kit for the bin, wheels kit for the liner and ground anchor bolts kit.
- Compatible products: wall-mounting Kaizen ashtray, wall-mounting Valencia ashtray and Can-Adapt bags dispenser.
- Suitable to be used indoor and outdoor under normal weather conditions. In case of extreme weather conditions, such as high salinity, temperature or humidity, an additional special treatment can be included. Check extra cost and MOQ.
- Guaranteed reliability: this product has satisfactorily exceeded functionality and endurance tests under real environmental and usage conditions.
